

Constantine the Philosopher University in Nitra
Faculty of Central European Studies

Admission Information
for the academic year 2024/2025

Introducing the faculty

The Faculty trains teachers for schools with Hungarian as the language of instruction and multilingual professionals in the fields of culture, public administration and tourism

At our institution, we:

- Prioritize **practical experience** by incorporating extensive professional or pedagogical practice into all study programmes.
- **Your ambitions are supported:** talent management and professional competitions await you.
- Our teachers serve not only as trainers, but also as mentors with a **personalised approach**.
- Our modern teaching methods provide students with **competitive knowledge and skills**.
- Additionally, students have the opportunity to pursue **Master's level** studies.
- We facilitate **international student mobility**.
- Our contemporary building is situated in an **appealing area** of the university campus, in proximity to the dormitories and the university library.
